

Polar Training Course Outline

There are 3 stages to the Polar Training:

- 1.) 6 days of inside & outside workshops
- 2.) 4 day mini expedition
- 3.) 3 day final expedition

Pre Polar Training

Day 00 2 days before the course start, fly from home to Ottawa, overnight in Ottawa

Day 0 the day before the course starts, fly from Ottawa to Iqaluit, you have the afternoon to acclimatize, recover from jet lag and see Iqaluit (museum, visitor center, Inuit art, etc.) You are responsible for your own accommodations. (see www.northwinds-arctic.com and go to links on the top bar, and that will take you to accommodation information.)
